WHAT ALUMNI ARE SAYING:

"With the Professional MBA, I balanced work and classes at my pace. The program allowed me to work full-time during the day and attend classes in the evenings or on weekends. Prior to beginning the program, I enjoyed volunteering and traveling with my husband, and I was afraid I'd have to sacrifice too much of my life to pursue an MBA. In the Professional program, I could earn my MBA and still have an active lifestyle!"

Diana Cullen, PMBA '18

Senior Manager, Retail Operations, Fabletics

"The PMBA program allowed the flexibility to balance work and school the way I needed. The technical skills I learned in the MBA program had a direct impact on the hiring process in my current role, and I continue to use and build upon those skills to this day!"

Erick Campos, PMBA '16
