AN IDEAL LOCATION

Riverside is located in sunny Southern California, just east of Los Angeles. More than half of the goods that enter into the U.S. come through our ports, making Riverside a nexus for international trade and commerce—the ideal place to earn a graduate business education. Riverside is also a cost-effective place to live with easy access to international airports and major

tourist destinations including beaches, mountains, Disneyland, downtown L.A., San Diego, Las Vegas, and even an elite skydiving facility in our backyard! As a result of our unique location, AGSM graduates are landing jobs in California from San Francisco to San Diego as well as in major capitols across the globe.

AGSM's DEDICATED CAREER DEVELOPMENT CENTER

The **Career Development Center (CDC)** at the A. Gary Anderson Graduate School of Management is a comprehensive, career-focused resource center for all graduate business students. The CDC works to ensure that every AGSM student is equipped with the tools necessary to succeed in their internship, job search, and ultimately as a business leader anywhere in the world. It does this by providing career coaching, job search strategies, job leads, workshops, networking opportunities, career fairs, and more.

"AGSM's CDC has supported my success by providing instrumental resources for resumé and cover letter writing and targeted job searches.

The staff is committed to helping students thrive in their career pursuits, and thanks to them, I landed an amazing marketing internship at Esri, which will turn into a job at graduation."

LIFE at AGSM

WORLD CLASS FACULTY

Our faculty are experts, researchers, award-winners, and practitioners from around the world. Their applied research explores and informs the creation, development, and management of growth. As part of the University of California system, we harness the institution's powerful resources to study and develop information, business practices, and innovations that make world-reaching impacts.

COMMUNITY & PROFESSIONAL DEVELOPMENT

With over 400 student organizations at UCR, there are many opportunities to stay active on campus, both socially and professionally! At AGSM, you can help build our community through the Student Association, network with professionals and represent the School of Business as a Student Ambassador, become a career advocate as a member of the Career Advisory Council, or join one of the many business clubs founded by our students including Women in Business, Programming Club, Entrepreneurship Club, Highlander Financial Group, and more.

GLOBAL ALUMNI NETWORK

With an international alumni network of nearly 20,000, UCR Business alumni hold leadership roles at global public and private companies as well as in entrepreneurial ventures across industries. These alumni actively engage with the school speaking to prospective students, hosting workshops, attending networking events, and recruiting talent from each year's graduating cohort!

Check out more of our outstanding alumni at business.ucr.edu/alumni.

"Don't be afraid to take risks, especially early in your career. Try to explore as many things as possible. Don't be afraid to fail. If you're not completely satisfied with an opportunity, look for something else and do it early on."

TOP 5 REASONS FOR CHOOSING AGSM

- 1. STEM-Designated Programs** With a STEM-designated graduate degree, you are telling employers that you have the technical skills combined with the business acumen necessary to add significant value to their organization. For international students, a STEM designation enables a graduate student to work in the U.S. for up to three years of OPT upon graduation.
- 2. Career Opportunities** – Our dedicated Career Development Center supports your professional development and career journey beginning in the summer through preparation programs. Join their workshops, get 1:1 career coaching, attend career fairs and networking events, and follow their job leads to land a position in your desired career field in major cities across the globe.
- 3. Diversity** – UC Riverside is one of the most diverse campuses in California. Our graduate school of management is no exception to this trend. With students from all levels of income, race/ethnic background, gender, work experience, and even educational background, your classroom settings will be filled with unique perspectives leading to rich discussions and impactful solutions!
- 4. Faculty & Staff** – What is unique about our faculty is that they are not just accomplished researchers and practitioners, they are excellent teachers who care about your success. Our staff come alongside faculty to support you throughout your journey at AGSM from admissions to graduation and beyond!
- 5. Wide Selection of Clubs** – Interested in programming or entrepreneurship? Want to support your peers by building community, enhancing professional development, or representing our school to external stakeholders? Or want to join an affinity group such as Women in Business? Whatever it may be that you're looking for, we have, or we'll support you and your peers in starting your own group!
