LOCATION WITH LIMITLESS OPPORTUNITY

Situated in the heart of one of America's most rapidly growing and economically significant regions—UCR Business is uniquely positioned to shape the future of work, technology, and global commerce. Riverside is also a cost effective place to live with easy access to international airports and major tourist destinations including beaches and mountains. As a result of our unique location, AGSM graduates are landing jobs in California from San Diego to San Francisco as well as major cities and capitals across the globe.

Developing diverse leaders for a rapidly evolving global economy: We invite you to explore a business school designed for the future, providing you the opportunity to shape what comes next.

The A. Gary Anderson School of Management (AGSM) within the School of Business is a dynamic and expanding force in graduate management education. We are proudly AACSB-accredited, nationally ranked, and globally recognized for our spirit of innovation, collaborative mindset, and commitment to preparing the next generation of business leaders. Our state-of-the-art, award-winning facility features modern classrooms, a dedicated graduate student lounge, collaborative workspaces, indoor-outdoor event venues, and the Biz Café—all designed to foster connection and community.

"My MBA experience at UCR Business gave me knowledge, skills, and confidence, allowing me to grow both personally and professionally. I actively applied what I learned while serving as a Graduate Student Ambassador and Vice Chief of Marketing both of which challenged me to become a stronger leader. The graduate success team supported me from landing an internship to securing a full-time role after graduation, which was invaluable to me as a first-generation student."

SIX STEM-DESIGNATED PROGRAMS

Master of Business Administration

The Full-Time MBA, Professional MBA, and Online MBA programs are designed to unlock potential through exceptional educational experiences and foster success in an innovative, collaborative, and supportive environment. The Full-Time MBA is typically completed in 21 months, or two academic years, with the flexibility to take select courses online for a hybrid experience. The Professional MBA mirrors the Full-Time MBA curriculum while offering greater flexibility through weekday, evening, weekend, and online course options. It can be completed in as little as 21 months or extended over several years to fit your career and schedule. The Online MBA offers the greatest flexibility with a 100% online format and the option to take select courses in person. Choose among seven MBA concentrations: Accounting, Business Analytics, Finance, Management, Information Systems, Marketing, and Operations and Supply Chain Management.

Full-time MBA

Completion: 21 Months
Units: 80
Required courses: 10
Elective courses: 9

An internship is required
Visit business.ucr.edu/mba

Professional MBA

Completion: At your pace
Units: 80
Required courses: 10
Elective courses: 9

No work experience required
Work project or internship required

Visit business.ucr.edu/pmba

NEW: Online MBA

Designed for working professionals with 3+ years of relevant experience. Complete your 64-unit MBA fully online, with optional in-person courses for added flexibility.

- Same core courses and capstone
- Fewer electives (20 units)
- Evening and weekend classes
- Flexible pay-per-unit format
- STEM-designated

Eligibility determined during admission process.

"The UCR School of Business graduate program has been one of the most defining chapters of my life and was a transformational experience. During the program, I discovered a deep passion for business, found my confidence, and grew into a leader. UCR didn't just sharpen my skills, it helped me find my purpose and led me to a job at my dream company."

JANET MARINGKA '26 | PROCUREMENT REPRESENTATIVE, THE WALT DISNEY COMPANY

Master of Professional Accountancy

Practicum Track with Concurrent CPT Available.

Establish a career in accounting with career pathways to advanced education in auditing, financial reporting, taxation, and in cost and managerial accounting. The program offers entrance to students from non-accounting backgrounds through our admissions Track II, while students from accounting backgrounds can finish more quickly via Track I. UCR's MPAc program provides an excellent opportunity for students to study advanced topics in accounting, auditing, and taxation while earning additional units that help them qualify for the CPA license. Students will also gain important professional research and communication skills that are sure to help them succeed in their careers. Begin your program in either the fall or winter quarter.

Track I:
Accounting background applicants

Completion: 9 Months
Units: 48
Required courses: 5
Elective courses: 7

Visit business.ucr.edu/mpac

Track II:
Non-accounting background applicants

Completion: 15 Months
Units: 56
Required courses: 7
Elective courses: 7

Visit business.ucr.edu/mpac

M.S. in Business Analytics

Practicum Track with Concurrent CPT Available.

Develop a career in the dynamic field of business analytics and find employment in a range of roles, including Business Analyst, Data Scientist, Research Analyst, Data Consultant, and Management Consultant. This program immerses you in experiential learning through capstone projects and brings your business acumen and statistical computing skills to a level that allows you to use vast data to inform business decisions. The MSBA curriculum offers career pathways in supply chain analytics, financial analytics, and marketing analytics.

Completion: 9 Months
Units: 48
Required courses: 7
Elective courses: 2

Two capstone courses (part of required coursework)

"My experience in UC Riverside's Master of Finance program equipped me with the analytical and problem-solving skills to confidently transition into a corporate finance analyst position. I was mentored by supportive faculty, collaborated with talented classmates, and grew both personally and professionally. My greatest takeaway is to stay curious, embrace every opportunity, and step outside my comfort zone."

AGSM EXPERIENCE

LEARN. CONNECT. THRIVE.

"UCR Business faculty combine research, industry expertise, and real-world experience to connect theory to practice. Through case studies, projects, and practical insights, they help students develop the critical thinking and problem-solving skills needed to succeed in their careers."

PROFESSOR ELODIE A. GOODMAN
LOGISTICS TEAM PRESIDENTIAL CHAIR IN SUPPLY CHAIN MANAGEMENT

DISTINGUISHED FACULTY LEADERS

Our globally recognized faculty are award-winning experts and researchers whose applied work drives innovation and growth. As part of the University of California system, we leverage its resources to share impactful knowledge and business practices worldwide.

YOUR PATH TO AGSM:

APPLY WITH CONFIDENCE, FUND YOUR FUTURE

COMMUNITY & PROFESSIONAL DEVELOPMENT

UCR offers 400+ social and professional student organizations to build community and grow professionally.

Among these professional organizations are the Hylander Student Investment Fund (HSIF), Women In Business, Supply Chain Society and Product Club which offers hands-on workshops and events like the AI Pitch Competition, helping students build practical skills, expand their UCR network, and strengthen their professional portfolios.

Students develop leadership skills and expand their network through the AGSM Student Association and Graduate Student Ambassador program, where select individuals represent and support UCR's graduate business community.

Together, these organizations provide strategic pathways to grow your skills, connect with industry professionals, and accelerate your career.

POWERED BY A GLOBAL ALUMNI NETWORK

With nearly 20,000 alumni worldwide, UCR Business graduates lead at top global companies and innovative startups across industries. Our alumni stay engaged—sharing insights, mentoring students, and opening doors to new opportunities.

- **Global Leadership**
  Alumni hold executive roles in public, private, and entrepreneurial organizations worldwide
- **Active Engagement**
  Alumni regularly speak to students, host professional workshops, and attend networking events
- **Career Support & Recruiting**
  Alumni actively recruit talent from each year's graduating class
