**Internships:** Internships offer learning experiences outside of the classroom. They enhance your academic and career goals. An internship can help you "test drive" a possible career path. An internship is a perfect way to connect your academic experience with the professional world. Internships can also lead to employment opportunities. Please visit the Career Center, located in the Career Center Plaza or call 951-827-3631 if you have any questions. If you wish to earn academic credit (BUS 198I), please contact the UG Program Office.

**UCR's Student Organizations:** As a student, involvement is important in your professional development to expand your resume. There are many great benefits as a result of getting involved with an organization, such as developing soft skills, networking opportunities, and the ability to cultivate your leadership style. Students can express interest and join organizations with a click of a button, <https://highlanderlink.ucr.edu/>
